To: Haquisha Taylor <htaylor@teaneckschools.org>, OPRA Requests <opra@teaneckschools.org>

Dear Ms. Taylor,

On March 18, 2024 the Weiner law firm sent letters to nonpublic schools in the area which states in part:

"I have been directed by the Board to communicate to you regarding the costs of non-public school transportation provided by the board. Please be advised that for the upcoming 2024-2025 school year, if the non-public transportation costs exceed the aid-in-lieu amount, the Board will **not** provide transportation and will provide the amount of aid-in-lieu directly to parents or guardians." (emphasis in original).

I am requesting pursuant to OPRA, the resolution or document memorializing this decision of the Board

I am also requesting pursuant to OPRA the Minutes of any public or closed/executive session discussion regarding aid-in-lieu payments for nonpublic schools for the 2024-25 school year between 1/1/23 and present.

Thank you,
Keith Kaplan
